DEMSCRITER

Volume 31 Fall 2014

Message from the president

Prior to becoming your president, I served a term as the Association's treasurer and a three-year term on the Board several years ago. At that time, I thought that the only two issues in which we were interested were protecting our medical benefits and maintaining our pensions.

I am pleased to report to our members that, since those days, the Board has gone beyond those two agends terms. Board members noticed that they felt that they were operating in a vacuum. Other Association members were not involved in the organization. So the Board made a series of wise decisions. They revised the Constitution and By-taws. First, in the Constitution, they recommended term limits for several officers and clarified roles and responsibilities for officers and board members. Second, in the Bylaws, they recommended the establishment and responsibilities of three new permanent committees. The Planning and Events Committee, The Membership Committee, and The Communications Committee. The Association membership actopted these revisions in the Constitution and By-laws at the last Annual meeting on June 6, 2014.

The charges to three new coromittees are as follows:

- "The Planning and Events Committee shall-develop, design, plan, and schedule events
 that foster the educational and social needs of the membership. This committee, among
 other activities, shall be responsible for the planning and scheduling of the Association
 functions."
- "The Membership Committee shall recruit and maintain an Association membership directory with current contact information and membership status of all Association members. This committee shall coordinate information, at least annually, with the treasurer to identify the paid status of Association members."
- "The Communications Committee shall compose, develop, and distribute newsletters and other communications for the Association members. Distribution of communications shall be coordinated with the Membership Committee and the treasurer and utilize any Board-approved form (e.g., digitaliniectrons, U.S. Postal Service)".

Next is the most important step. We need every Association member to seriously consider signing up for one or more of the three new committees. Please complete the enclosed form and e-mail or mail it to vice president David Ganz. This will insure a more active, visible, and rewarding Association as well as provide experienced and knowledgeable members for service on the Board.

Lans looking forward to working with you to help our Association continue to grow and some UMSL Retness.
